# ERD:

Donor  $\xrightarrow{1\text{-many}}$  Donations

One donor can do many donations  
by one donation cannot be done by  
2 donors.

Christine is a donor who donated  
10,000\$ through one-time donation type and  
she recieved a mail how the hospital  
administration utilized the donated money. She  
got motivated and next time she started doing  
monthly donation.
